### National Smile Month is 40!!

Organised by the Oral Health Foundation, National Smile Month is celebrating its 40th birthday this year! Running from 16th May-16th June 2016, the aim is to promote three key messages to encourage people to develop and maintain a healthy mouth:

- Brush your teeth last thing at night and on at least one other occasion with a fluoride toothpaste.
- Cut down on how often you have sugary foods and drinks.
- Visit your dentist regularly, as often as they recommend.

And it's as simple as that!

So come in, have your teeth checked, and take a selfie with us!

### Teeth & Tiaras!

We're happy to announce we have chosen to sponsor a lovely local lass Penny Roxby, in the Miss Northeast Pageant 2016.

Penny is a student at Lord Lawson Beamish Academy, where she is studying Level 3 Hair and Beauty.

As sponsors, we will be supporting her throughout the competition and we look forward to cheering her on at the final!

To get Penny pageant ready, we will be enhancing her naturally beautiful smile with a course of Boutique Teeth Whitening, so she can smile confidently the nighting.

But enough from us, [here's](#) what Penny has to say about her journey so far...
